# ***Global Warming/ Peak Oil***

Concerns about **energy and resource availability and use** lead us to re-examine the ways in which we **plan our communities**.

The **Portage County Greens**, along with **Concerned Citizens of Stevens Point**, invite you to join us as we discuss these **important topics**, with a focus on **what we can, and must, do locally** to prepare.

Featuring presentations by:

- UWSP Center for Land Use Education director, **Anna Haines**
  - Former UWSP CNR Dean, **Alan Haney**
  - Environmental educator, **Jeremy Solin**
- ...and more.

**Wednesday, April 25**

**6:30 PM**

**Portage County Public Library**

**Pinery Room**

Ask your civic leaders (County Board supervisor, City Council representative, town chairperson, etc.) to attend this important presentation.

Co-sponsored by: The Green Team - Frame Memorial Church, Stevens Point Unitarian Universalist Fellowship, UWSP Center for the Small City, Global Environmental Management Education Center (GEM)
